PUBLIC COMMENT-PERSONAL COMMUNICATION-CORRESPONDENCE:

There were no comments from the public.

FY 2017-2018 EMPLOYEE HEALTH INSURANCE PLAN PROPOSALS:

A&H Insurance provided rate sheets for five (5) Hometown Health (HH) plans. City Clerk Booth stated the County had chosen two (2) of the HH plans to offer their employees: (i) HHP-PPO with \$1,000 deductible; and, (ii) HHP-high deductible of \$3,500 with HSA (health savings account). The renewal options for dental, vision and life were also discussed. The renewal for the current dental carrier (Ameritas) is an increase of \$4.72 per employee. The current vision carrier (VSP) and Life (Cigna) renewals remained the same. A & H also presented a bundled package of dental, vision and life from Kansas City Life. Their total rates for the dental, vision and life was \$45.91 per employee. After a brief discussion, the Council decided to keep the current dental, vision and life carriers because employees are established with their doctors and it was unsure if any local physicians would be providers on the Kansas City Life plans.

Councilman Murphy moved to offer the City employees either the HHP-PPO \$1,000 deductible plan or the HHP-high deductible \$3,500 with the HSA and to stay with the current providers of Ameritas for dental coverage, VSP for vision coverage and Cigna for Life Insurance coverage at the renewal rates provided.

Motion carried unanimously

RESIDENTIAL STRUCTURES BUILDING GUIDE FORMS / TECHNICAL DESIGNS:

Mayor Giles suggested that when the forms are adopted by the City, the 2012 building codes should also be adopted (the guide forms refer to the 2012 codes). The building guide forms prepared by Technical Designs (TD) were reviewed and discussed. Some corrections need to be made to the forms. Legal Counsel Maher is also reviewing the forms. The City Clerk was asked to request the forms in Word format so that corrections may be made. Once corrections are made, the Clerk will schedule a date when TD Mark Haunenstein can meet with the City. Mayor Giles said after adoption of the forms, the next step will be to review the building permit fees. No action was taken.
